BY Smedbo

Outline is available in brushed and polished chrome finish. The core material is solid brass.

This elegant range is extended by Outline Lite – a complementary range of products in polished and brushed stainless steel.

Outline and Outline Lite consist of free-standing accessories for use on their own or as the perfect accompaniment to other Smedbo ranges.

Outline finns att få med kromad yta och mattborstad krom. Kärnan består av mässing.

Denna eleganta serie utökas av Outline Lite – en kompletterande serie av produkter i polerat och borstat rostfritt stål.

Outline och Outline Lite representerar fristående produkter som med fördel kan kombineras med Smedbo's övriga badrums - sortiment.

Outline ist in den Oberflächen Chrom und Mattchrom erhältlich. Der Kern besteht aus massivem Messing

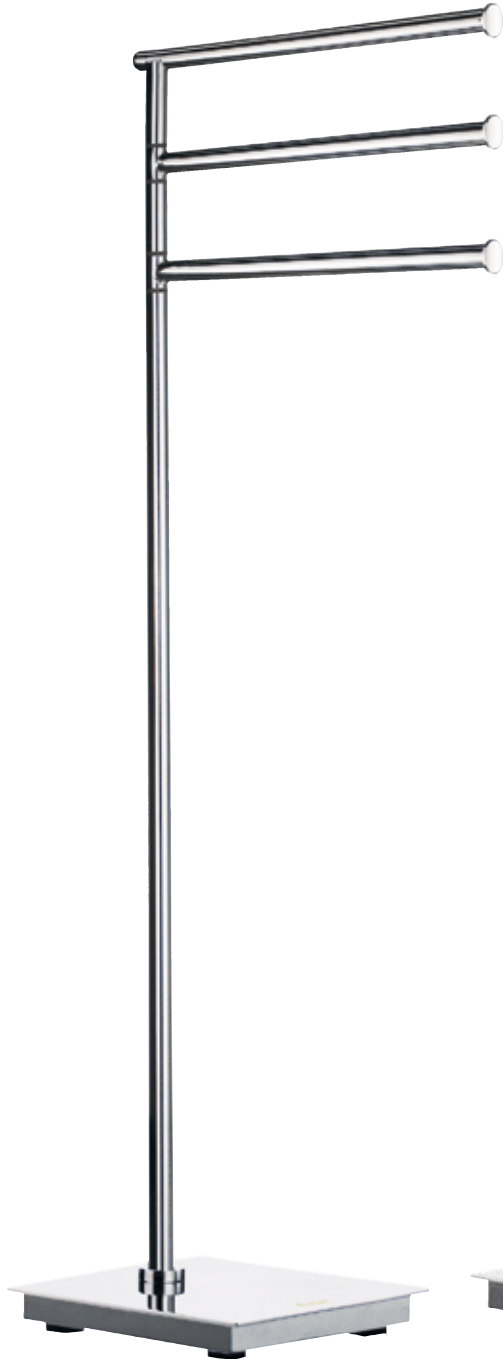

Darüberhinaus ist die Serie Outline Lite in poliertem oder mattem Edelstahl eine sinnvolle Programmergänzung.

Beide Linien vertreten eine Kollektion freistehender Badaccessoires die individuell einsetzbar oder mit anderen Smedbo-Serien kombinierbar sind.
